DIOCESAN POLICY ON SALE OF DONATED SECURITIES

The Board of Directors of the Diocese of Olympia has adopted a policy to sell gifts of securities as soon as they are received. **There may be a delay that can change the value of the stock and the gift from its value when it was donated.** This may affect the amount available to the parish or program you designate.

Please follow the applicable local and federal laws for securities and taxes in conjunction with the advice of your broker and accountant. We are happy to fill in the donor information portion of any tax forms you wish to submit to us.
