Certification and Signature

We hereby certify that this information is true and accurate as of the date of this certification. We agree to notify the Medical Trust if our employee count changes in the future from fewer than 20 employees to 20 or more, or from 20 or more employees to fewer than 20.

If we have elected to participate in the MSP Small Employer Exception, we understand that this means that Medicare Part A would become the primary insurance for the eligible active employees age 65 or older, and/or their spouses age 65 or older. We certify that each individual for whom we are providing an Employer Election Form has coverage because he/she is currently an active employee or the spouse of an active employee.
