

THE GENESIS COVENANT

The Challenge

The Genesis Covenant is an invitation to every community of faith to take action to reverse global warming.

The Genesis Covenant is a pledge to be made publicly by the national religious bodies that endorse it as their witness to the holiness of creation and their commitment to protect the Earth as a sacred trust.

The Genesis Covenant is an expression of the unity of the world's religious communities in the face of a shared crisis.

The Genesis Covenant is a challenge to all other sectors of society to join people of faith in a global effort to change history by changing behavior.

The Covenant

WE WILL REDUCE THE GREENHOUSE GAS EMISSIONS FROM EVERY FACILITY THAT WE MAINTAIN BY 50% IN 10 YEARS.

The Commitment

The Genesis Covenant must be endorsed by the appropriate representative governing body of the community. Once that body has adopted the Covenant every facility that it maintains will reduce the greenhouse gas emissions from their levels at the time of ratification by 50% within ten years. This includes places of worship, offices, schools, camps, retreat centers and other facilities.

The Community

The Genesis Covenant will maintain an interactive online presence to support and network local communities who are part of the Covenant. This resource will empower every faith community to meet its goals in fulfilling the reductions in greenhouse gas emissions. It will welcome people of all faiths into a working partnership with their neighbors to achieve an historic change for the sake of our children.
